De Dietrich

Washing machine

Commercial code : **DLZ614BE1**

Product definition

- Construction type: **Half-integrated**
- Loading type: **Front side**
- Reference capacity: **6**
- Maximum spin speed: **1400**
- Spin speed options: **adjustable**
- Temperature control: **Continuous**
- Number of programmes: **15**
- Self adjusting water level: **Yes**
- Energy efficiency class: **A+**
- Washing efficiency class: **A**
- Spinning efficiency class: **B**
- Ean code: **3660767548404**

The advantages of the product

✓

✓ Delay start

A useful option if you want to delay your laundry washing. You can select a delay of 3, 6 or 9 hours.

✓

Commercial code: **DLZ614BE1**

Washing machine

Aesthetics & Programs

Aesthetics

Front panel colour: **Black**
Color or material body: **Black**
Alternative colors available: **White**

Programs

Pre-wash: **Yes**
Quick wash: **30min**
Wool programme: **Yes**
Cold wash option: **Yes**
Delicates / silk: **Yes**
No spin: **Yes**

Easy using

Delay start option: **Delay Start**
Max delay start time: **24**
programme process indicator: **Lcd**
Remaining time indicator: **Yes**
end of cycle indicator: **Lcd**
Rinse hold: **Yes**
Rinse plus: **Yes**
Foam control: **Yes**
Posistop:
Wheels: **No**

Dimensions & Setting

Dimensions

Removable top: **removable**
Height with worktop: **818**
Product height without worktop (mm): **818**
Dimensions of the packed product (mm) (HxWxD): **880X650X595**
Dimensions of product (mm) (HxWxD): **818X590X550**
gross weight in (kg): **68**
Net weight in kg: **66**
Type of packaging:

Setting

Connection rating in W: **2200**
Current in A: **10**
Voltage V: **220-240**
Frequency Hz: **50**
Lenght electrical supply cord: **150**
Plug type: **European**
Length of outlet hose (cm): **150**

Safety devices and Consumptions

Safety devices

Balance control: **Yes**
Certificates of approval: **EEC;IXP4**

Consumptions

Energy consumption (kWh): **1,02**
Annual energy consumption (kWh): **204**
Water consumption: **49**
Annual water consumption: **9800**
Average washing time cotton 60°C: **120**

Structure

Cover door / Double door: **No**
Door hinge: **Left**
Door opening: **Handle**
Drum gate:
Tub material: **Polytenax**
Drum material: **Stainless steel**
Drum volume (L): **48**
Hot and cold water intake: **no**
Inlet hose type: **standard 60 bars**
